## 1 Scope of application

This Regulation sets out the structure, procedure for completing and issuing the Pan-European Diploma Supplement (Diploma Supplementon Higher Education (hereinafter referred to as the Diploma Supplement) Supplement, which provides international professional recognition of the graduate's qualificationInstitution "Ekibastuz Institute of Engineering and Technology named after Academician K. V. Abramovich. Satpayev" (hereinafter - EITI named after A.kademik K. Satpayev) inEuropean countries.

## 2 Regulatory references

In the present This Regulation uses references to the following regulatory documents::

– On approval of state services of mandatory стандартовeducation standards for all levels of education. Order Minister of Education and Science Republics Kazakhstan от 31 No. 604 dated October 31 , 2018 ;

– Методические Guidelines for completing the "Diploma Supplement".

Appendix to the order Minister of Education and Science Republics Kazakhstan dated April 19, 2019 No. 155;

- On approval of the types and forms of state -issued educational documents ; and Rules их for issuing them. Order Minister of Education and Science Republics Kazakhstan от 28 No. 39 dated January 28 , 2015 ;

- GOST ISO 9001-2011 Системы менеджмента Quality management systems. Requirements.

## 3 Basic concepts and definitions

*office registrar* - a person who registers the entire history учебных достижений of student's academic achievements and ensures the organization of all VI's. дов control of knowledge and calculation его of its academic rating.

*Transcript* -Transcripta document containing a list of completed disciplines for the corresponding periodof study, indicating credits and assessment results noc according to the point-rating letter system оценки of knowledge assessment.

*specialty* – a setof skills acquired through purposefultraining and work experience, knowledge, skills and abilities necessary for a certain type of activity, confirmed by relevanteducational documents.

### 3.1 Designations

OR -registrar's office

GC – a state corporation.

NCT – National центр Testing Center;

SAC – state attestation commission.

## 4 General provisions

4.1 The Pan-European Diploma Supplement is a document that provides comprehensive information necessary for the assessment of any degree or qualification. The Diploma Supplement is an important part of development European Higher Education Area (EHEA). This document contributes to the fulfillment of Kazakhstan's obligations under the Law "On ratification of the Convention on the Recognition of Qualifications in Higher Education in the European Region" (Lisbon, 1997) and implementation of parameters of The Bologna Process.

In May 2018 in Paris in the framework of Conference of Ministers of Education of the Countries participating in the Bologna Process Diploma Supplement revised (Annex A).

4.2 The Diploma Supplement is issued to facilitate the recognition of the obtained qualifications of Kazakhstani university graduates during further training and (or) employment.

А pan приложение к диплому (-European Diploma Supplement) is issued to each university graduate automatically and free of charge in English, along with the main document of education.

4.3 The Diploma Supplement has the status of an official internal document on education (established in the Institute sample) issued by the Institute, the form and content of which comply with the legislation of the Republic of Kazakhstan in the field of organization and implementation of higher and postgraduate education.

Diploma Supplement is filled out on a special site with degrees of protection (with watermarks) on paper.

## 5 Structure Приложение к диплому Diploma Supplement

5.1 Form Applications to the Diploma Supplement (the EITI Diploma Supplement) ЕИТИ them. academician K. Satpayev is listed in Appendix B.

5.2 The Diploma Supplement includes 8 sections:

- 1) information identifying the holder of the qualification;
- 2) information identifying the qualification;
- 3) information about the level and duration of the qualification;
- 4) information about the program and the results obtained;
- 5) information about the qualification function;
- 6) additional information;
- 7) certification;
- 8) information about the national higher education system.

The Diploma Supplement begins with a preamble: "The purpose of the Diploma Supplement is to provide sufficient independent data to improve international "transparency" and fair academic and professional recognition of qualifications (diplomas, certificates, etc.). It is intended to describe the nature, level, context, content, and status of studies that were completed and successfully completed by the person who received the initial qualification to which this appendix is attached. It is free of any value judgments, equivalence statements, or recognition proposals. This diploma supplement model was developed by the European Commission, With your

own advice Europe and UNESCO".

Contents of the preamble and section 8 (Information on the national information system) is typical for all universities.

## **6 How to fill out the Diploma Supplement**

6.1 In section 1, "Information identifying the holder of the qualification", the corresponding cells indicate the last name, first name, day, month and year of birth of the graduate in strict accordance with the document certifying that he / she is a qualified person. representing the individual.

When filling out subsection 1.4 (Student Identification number or code), the individual identification number (IIN) of the student is indicated.

## 8. INFORMATION ON THE NATIONAL HIGHER EDUCATION SYSTEM

### Higher education

Citizens who have general secondary or technical and vocational, or post-secondary education acquire higher education. A citizen has the right to receive free higher education on a competitive basis.

Training in degree programs of higher education is carried out in the form of full-time education and (or) external studies. The main types of organizations of higher and (or) postgraduate education are a national research university, a national organization of higher and (or) postgraduate education, a research university, a university, an academy, an institute and equivalent (conservatory, high school).

A student who has passed the final certification for the development of the degree program of higher education is awarded the degree of 'bachelor' or is awarded the qualification of 'specialist'.

### Postgraduate education

Citizens with higher education acquire postgraduate education.

Postgraduate education is carried out in the master's degree programme, residency and doctoral degree of organizations of higher and (or) postgraduate education, scientific organizations on the main activity profile and areas of staff training, as well as by sending scholars of the Bolashak international scholarship to study at leading foreign organizations of higher and (or) postgraduate education in full-time education in accordance with the list of specialties annually approved in the manner prescribed by the legislation of the Republic of Kazakhstan.

*Training in the master's degree program is carried out on the basis of degree programs of higher education in two areas:*

- Scientific & Teacher training degree with a study period of at least two years;
- Professionally oriented degree with a study period of at least one year.

*Training in doctoral degree is carried out on the basis of master's degree programs in two areas:*

- Scientific & Teacher training degree with a study period of at least three years;
- Professionally oriented degree with a study period of at least three years.

Persons who have received a master's degree or have mastered degree programs of postgraduate education in military specialties, to obtain the degree of Doctor of Philosophy (Ph.D.), doctor in the professionally oriented program are trained in the doctoral studies of military, special educational institutions for at least three years.

Postgraduate medical and pharmaceutical education includes residency, master's & doctoral degree.

The residency provides in-depth training in clinical specialties with a duration of training from two to four years, depending on the specialization. The authorized body in the field of health care approves the rules for training medical staff in residency. The list of degree programs of higher and postgraduate education is contained in the register of degree programs.

### Accreditation of educational organizations

Accreditation of educational organizations is carried on a voluntary basis.

Educational organizations are obtain to institutional and degree program accreditation in accreditation bodies recognized by the Ministry of Education and Science of the Republic of Kazakhstan. The Ministry of Education and Science of the Republic of Kazakhstan maintains a Register of recognized accreditation bodies, accredited educational organizations and degree programs.

The National Qualifications Framework of Kazakhstan contains 8 qualification levels, which corresponds to the European Qualifications Framework (EQF) and educational levels. The eight recommended levels are described in the form of learning outcomes.

European Qualifications Framework (EQF)	Levels	Kazakhstan's National Qualifications Framework (NQF)	Qualifications Frameworks in the European Higher Education Area (QF-EHEA)
EQF 8	8. Doctoral Degree	NQF 8	Third Cycle
EQF 7	7. Master's Degree	NQF 7	Second Cycle
EQF 6	6. Higher Education. Bachelor's Degree	NQF 6	First Cycle
EQF 5	5. Post-Secondary Education	NQF 5	Short Cycle
EQF 4	4. Technical & Vocational Education	NQF 4	
EQF 3	3. General Secondary Education	NQF 3	
EQF 2	2. Basic Secondary Education	NQF 2	
EQF 1	1. Primary Education	NQF 1	
	0. Pre-School Education & Training
